NOBILIS ET MA-
GNIFICO VIRO AC DO-
MINO, GEORGIO VOLCAMERO,
Inclytæ Reipub. Norimb. Il viro vigilantissimo &c.
Suo, Musarumq; Patrono humili observan-
tia colendo.

Salutem & officia.

Nobilis & Magnifice vir, Domine ac patrone æternum mihi vene-
rande. Quod ingens miseriarum moles, & gravissimum sanè ju-
gum omnibus, ex Adamo progenitis, à die eorum egressionis ex
sua cujusq; matris utero, usq; ad diem reversionis in terram, ma-
gnam illam omnium parentem, sint imposita, non modo propter in-
finitum imbecillitatum & morborum numerum, quibus in hac miseriarum valle
subjecti sumus, oportet fateamur: sed & insuper, quod persecutioni, calumnia, odio
& Invidia, ceterisq; multifariis ejusdem generis procellis (quæ tamen omnia ab Al-
tissimo, ut animarum nostrarum saluti inserviant, nobis injunguntur) quolibet
die, quâlibet horâ, imo quolibet momento sumus obnoxij, abundè edocemur. Cu-
jus rei exemplum etiam ex me capio, contra quem ante paucos annos, terribiles si-
multatum atq; inimicitiarum fluctus, adversariis quibusdam meis instigantibus
commoti, surgebant; adeo, ut parum aberat, quin mea salutis navicula illis ob-
ruta, & tota fuisset submersa. Quandoquidem, qui manu subveniret auxiliari,
inveniebam neminem: donec tandem in amœnissimum Sacrosanctæ scripturæ hor-
tum exspatiatus, omnis generis fragrantissimos ibidem colligebam flosculos, ex il-
lisq; confectum sertulum perturbato meo adhibebam animo: inprimis verò ex di-
vinis Regij Prophetæ psalmis, qui me nimium quantum recreârunt. Unde suc-
cessu etiam temporis nata mihi præsens sacrorum hymnorum congeries, quam Ma-
gnif. & Ampl. Vestra cum debita animi devotione, jam offero. Et quamvis quod

Nomini ejus hoc leve & breve cantionum mearum opusculum dedicare, subq. Ipsius patrocínio & tutela in lucem emittere fuerim ausus, à non-nullis sinistrè possit interpretari: nec tamen desistere ab hoc meo proposito, tribus potissimum de causis, potui, nec volui.

Et primò quidem, quia Magnif. & Ampl. vestra non tantum singulari amore atq. favore nobilissimam Musices scientiam prosequatur; sed & modis omnibus illam promotam cupiat; imò non raro animum, gravioribus Reipub. causis exantlatis laboribus lassum, mirificè illà reficiat.

Deinde, quoniam, quotiescunq. præstantissimorum etiam Musicorum cantilenis, meæ quoq. quamvis jejune ac steriles, intermiscebantur, hæc præ reliquis Magnif. & Ampl. Vestram, præter omnem quidem spem meam, non solum (præfiscine!) adprobasse, sed & iisdem delectatam fuisse quàm maximè, haud obscure intellexerim.

Quibus tandem accedunt summa illa in me collata, sæpiusq. iterata beneficia ita ut etiam, cui promotionem meam, functionemq. adeo honestam, acceptam referam, nullum (si DEUM excipias) quam Vestram illam Magnificentiam reperiam. Accipiat igitur hæc ob causas & boni consulat hanc meam qualemcunq. Lucubratiunculam, & uti hætenus, citra quidem meritum meum, ita in posterum quoq. sibi me habeat commendatissimum; mihiq. suo clientulo, sub favoris sui clypeo crescendi det copiam: firmiter credens, quòd, ut DEUS ter optimus & ter maximus Illam Ecclesiæ, Reipub. bonisq. omnibus, quàm animam quàm corpore salvam & incolumem, ad altos Periculis annos conservare velit, noctesq. diesq. vota fundere numquam sim intermissurus. Dab. Norimb. die XV. Maij Anni, à nato Salvatore supra millesimum, & sexcentesium, vicesimi.

Magnif.^æ & Ampl. V.^{re}

Observantissimus

Valentinus Dretzel, Ibidem
ad Divi Laurentij Organicus.
